

DATE: January 2000
TO: Consultants/Engineering Firms
FROM: BCSCD Urban Department
RE: January 1999 Policy and Guidelines Manual

The "January, 1999 Policy and Guidelines For Erosion and Sediment Control, Storm Water Management, Sediment Basin, and Small Pond Review Manual" are available at the District office. A fee of \$20.00 will be charged per manual. To obtain a copy of the manual, please fill out the information below for each individual in your company who will be obtaining a copy. Please submit the completed form(s) along with your check to the District.

(If firms wish to have the manuals mailed to them, please notify the District office prior to completing the order form and check.)

Please complete order form and make check payable to:

Baltimore County Soil Conservation District
